SPONSORSHIP OPPORTUNITIES 2016

NZ Apiculture Industry Conference

Energy Events Centre, Rotorua

19 - 21 June 2016

The New Zealand Apiculture Industry is proud to be hosting their 2016 National Conference in Rotorua at the Energy Events Centre from 19-21 June 2016.

The theme for the conference is: **Bee Business – Science : Health : Trade**

We have the pleasure of presenting the sponsorship opportunities available for your consideration and participation. All packages can be adjusted to suit your particular needs and we welcome the opportunity to discuss any aspect with us.

The Apiculture Industry has been a stand-out performer over the past decade; we have seen unprecedented growth in new entrants, hive numbers and export receipts. Conference 2016 will present an excellent opportunity to target a diverse audience of industry stakeholders, who will be attending to learn, to share knowledge and obtain a stronger understanding of the future direction of our industry as it moves towards its goal of a single inclusive representative entity.

Attendance in 2014 was 500 registrations, in 2015 it reached 830 attendee registration, 2016 could well exceed 1000. Without question this is a fantastic opportunity to put your business, its products and services in direct contact with the Apiculture Industry, it is a serious marketing opportunity. We have created a "Conference Sponsor Passport" that each delegate will receive and they will need to visit you to get a stamp to go in the draw to win a trip for two to Fiji...a guarantee that you will have an opportunity to interact with every delegate
